We have Icy Poles!

To help celebrate summer we are now selling icy poles.

They are only \$1.00 with all funds going to the Royal Children's hospital.

Please see our friendly staff if you would like one.

Holiday Program

Don't forget to book in early for the Summer Holiday Programs, it is a fun way to fill in some time on the holidays whilst refining and further extending your child's swimming skills.

The dates are:

Monday January 11 to
Friday January 15 and
Monday January 18 to
Friday January 22

The cost is only \$65 per program and the program caters for Swordy Tots right through to Squad and Adults.

Swimming consecutive days is an effective way to help transition from the Swordy Tot program to the Learner program.

The Holiday Program is also a great way to adapt to a new swimming level and to beat the boredom of the long Xmas break.

Photo's will be at a special price of \$5.00 for a 6 x 4' photo that has a Christmas border and payment will due on the day.

All money raised goes directly to the Royal Children's Hospital.
