

Deck Supervisors – Who are they and what is their role???

Deck Supervisors play an important role at Paul Sadler Swimland, overseeing our program and helping to ensure that everything runs smoothly. They are available to give you a verbal progress report and answer any questions or concerns you may have about your child and about Swimland in general.

How do I contact my child’s teacher?

Our Deck Supervisors constantly monitor the progress of all children participating in lessons during their shift. They are a great resource for parents who want regular updates, as they have the experience and, importantly, the time to answer any questions you may have.

Personal Details

To help us keep our records up to date, we would appreciate your advice if you have recently changed any of your contact details.

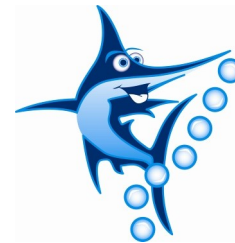

We look forward to another exciting year of fun and achievement at Paul Sadler Swimland Rowville

"Swimland kids -
Summer Fun"**

Welcome back to our returning 2009 swimmers and welcome to our new families. We trust you had an enjoyable summer break. Of course even though we're back, we can still expect a lot of hot weather in the coming weeks and months. We trust all our Swimland Kids and their families will put their water safety and survival skills to good effect while they continue to enjoy all the aquatic activities on offer during this time.

Congratulations to The Hamamen family who were the winners of our Early Bird Prize Draw in Term 4, 2009. They were the recipients of a VIP car park and a \$1000 Coles Myer Gift Card

**February

quiries.

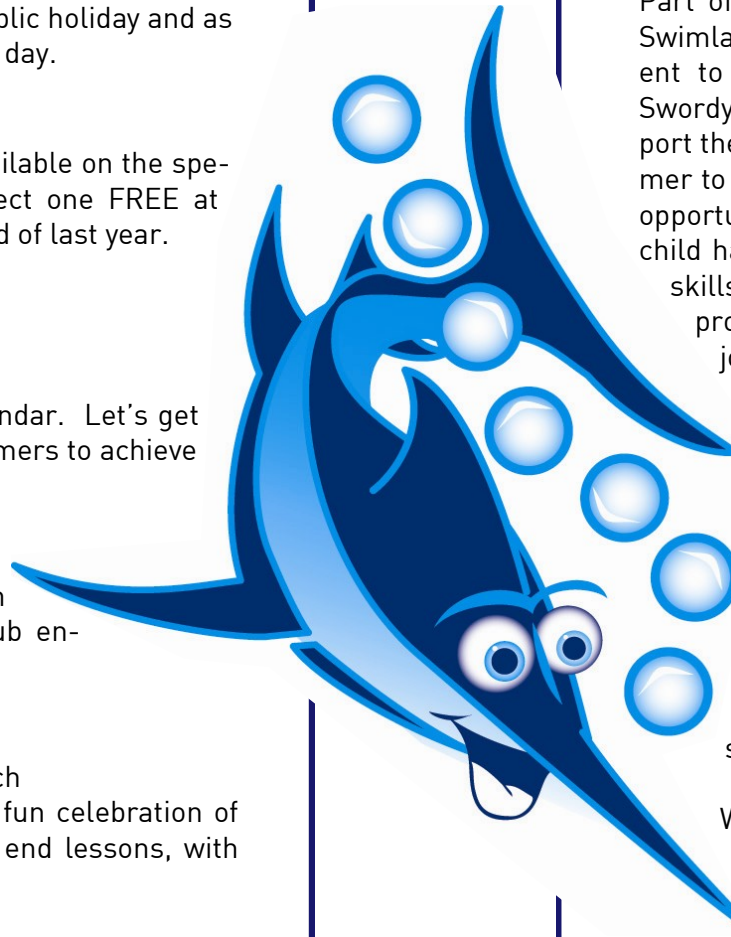

Easter Theme Week

Monday 22nd March - Sunday 28th March

The last 7 days of term will include a fun celebration of
Easter including fun Easter games to end lessons, with
chocolates for all.

Easter Barbeque

We will be selling barbequed sausages during this week
to raise funds for the Royal Children's Hospital. Please
bring along your coins and help us support this worthy
charity.

**The Benefits of your child gaining the "Swordy 1km
Gold Medal"**

Part of our mission at Paul Sadler
Swimland is to encourage every par-
ent to recognise the value of the
Swordy 1km Gold Medal and sup-
port the process required of a swim-
mer to achieve this milestone. This
opportunity will be provided when a
child has developed the appropriate
skills throughout our Learners
program and begin their Squad
journey.

Your child will be able to participate in all of the
great recreational activities in and around wa-
ter. It is our goal to ensure that you as a parent
feel comfortable knowing that the skills your
child has developed comprise not only the fun-
damentals of swimming, but more importantly
elements of survival. Once your child can swim
1km non stop, it is a wonderful time for them to
embark on surf rescue training and competitive
swimming.

When your child achieves their Swordy 1km Gold
Medal, you as a parent together with all of us at
PSSR can feel happy and proud knowing that
your child has achieved a skill for life. Our aim
for every swimmer who embarks on swimming lessons at
Paul Sadler Swimland is to achieve their Swordy 1km
Gold Medal. Your support as parents in our mission is
much appreciated.
