New Preps for 2010

Good Luck to all our children who are starting Prep next year. This is a very important and busy time for them, but please do not forget about swimming lessons. We understand that they may be tired, so if need be, please talk to our receptionists about finding a more suitable time for their class.

Starting school is a new experience, so it is nice to keep a routine activity such as swimming lessons in the week.

For those who currently have morning classes weekdays, please ask reception to alter your class to an evening or Saturday morning.

Staff in Focus: MARIA BURR

How many years have you been teaching?

5 1/2 years

What is the best thing about working for Swimland?

Seeing the proud faces of the children when they receive their certificate and the lolly pop too, of course. They're priceless.

What is the most challenging part of your job?

Being Reception Co-Ordinator - making sure all payments are received on time.

Your favourite level to teach?

My pre-schoolers and of course my babies. I love hearing their stories.

Your personal motto?

Always have a go and be proud of yourself and your achievements - no matter how big or small.

One place in the world you would like to visit?

Antartica - to see the majestic icebergs.

Goals for the next 12 months?

Stay fit, healthy and set one challenge to achieve (like the Eureka Tower stairs). Come on everybody, we need your support.

What would you be doing if you weren't teaching swimming?

No idea, but in a fantasy life I would like to stay at home and then help with a charity 1 or 2 days a week.
