

Maintaining our facility

Recently we celebrated our 5th birthday at Paul Sadler Swimland Rowville. We have set a goal to ensure that we upkeep and maintain the facility to the highest standards possible. Please speak to one of our Deck Supervisors if you feel there is something that needs our attention.

Holiday Program

We would like to acknowledge the support of our parents during our recent School Holiday Program. Once again we saw many children rewarded during the week with a lot of great progression. Our next School Holiday Program will be running for 5 consecutive days from 29th June - 3rd July. Bookings will open from the 1st of June (Week 7). Grab your spot early to be part of the fun!

PSSR Marketing

Come and see us at Stud Park Shopping Centre on Saturday 2nd May and 9th May as we continue to make everyone in the community aware of the lessons that we offer. Grab a balloon and say hi to our friend Swordy!

Staff Recruitment

Are you interested in working at PSSR???
We would love to hear from you!
Please see reception for an application form or email your resume to seona.wheeler@paulsadlerswimland.com

Swordy Speaks
PSSR Family Newsletter
"Water Safety - A Year
Round Commitment"

Swordy says,...."Water Safety - A year round commitment".

As we often say: "The most effective way to ensure our kids are safe around water is to make the commitment to lessons for the entire year. Like most skill based activities, water skills are maintained and developed through ongoing and regular practice".

PSS Website

CONGRATULATIONS

to Charlotte Creaton

who is the the "Rowville" winner of our website competition.

April
Term 2, 2009

Our new computer system - ERIC

At present, we are implementing our new computer program, ERIC. ERIC is an exciting advancement in our swim school and as we put it all into practice during the term, we think you'll love it as much as we do!

Mothers Day

We would like to wish all our Mums and Grandmothers a very Happy Mothers Day for the 10th of May. We would like to acknowledge you all with a special treat during this week of swimming.

Squad Wrap

Mini Meet Sunday 24th May

Be sure to mark the date on your calendar. Let's get together and cheer on our Squad swimmers to achieve their personal best times. Please RSVP by Sunday 17th May.

SSC - Membership

The new season for Swimland Swim Club begins on 1st May, 2009. If you have a Pumpkin certificate or above, enjoy meeting people and having fun then come and join SSC. For more information contact Karren, our Site Coordinator, on 0419 598 505.

Client Surveys

During week 6 of this term, PSSR gives our clients the opportunity to provide us with some feedback through client surveys. Although these surveys are handed out at random, everyone is more than welcome to participate. It is with much appreciation that we thank everyone in advance for helping us out.

Swimming in Winter myth flyer

Some clients review their commitment to swimming as we move toward the cooler months. During the first week of June we will be circulating our information brochure on the Myths, Legends and Facts about Swimming in Winter. Many people incorrectly associate colds with cold weather. Viruses cause colds, not cold weather or damp hair. We hope you find this information useful and we look forward to everyone making swimming a year round commitment.

Summer in Winter theme week

To celebrate swimming in Winter, we will conduct a fun theme week during week 7. All staff, Swimland kids and parents are asked to dress to a Summer theme by wearing board shorts, zinc

crème, Hawaiian shirts and bright colours to accompany the Summer decorations that will adorn PSSR. We will be selling sausages this week to raise money for the Royal Children's Hospital and of course, Swordy will be making an appearance. Remember, the temperature on deck never falls below 27 ° and the water remains a constant 32 °.

It's Always Summer at Swimland!

Waiting List

We continue to be at a point where we have clients waiting to get into classes. Every day we endeavour to work through our waiting list in order to offer clients vacancies that suit them as they arise. Stay tuned for further class openings in the near future.
