

Dear Parents, Coaches and Athletes

The following is the meet information for the **Eaglehawk Winter Series** being held on **Sundays July 6 & 27, and September 14, 2008.**

This event is aimed at our swimmers from **Ballarat, Bendigo and Bacchus Marsh** where there is the opportunity for our younger and more inexperienced swimmers to compete in an event which is at their level and also provide our more experienced swimmers the opportunity to meet qualifying standards for both Country and State Championships.

Swimmers are to enter 4-5 individual events per meet and points accumulate over the 3 rounds of competition for individual overall and team overall awards. Only swimmers 8&U are eligible for 25m events, all swimmers are suggested to swim all events on offer over the 3 meet series ensuring 100/200m events are done for each stroke as there are more 100/200m qualifying times for the Country or State Championships than 50m events.
