

Welcome to Swimland Swim Club— *Talent Identification*

Dear Swimmers and Parents,

Swimland Swim Club (SSC) is a club for children, teenagers and adults who have completed or are transitioning out of a learn to swim program and are looking to further develop their swimming skills. We are an inclusive and welcoming Swim Club, supporting the development of excellence in and out of the pool. We offer high calibre coaching from introductory to elite performance squad swimming, providing our swimmers with every opportunity to reach their goals.

SSC is a non profit, volunteer run club which is supported by Paul Sadler Swimland (PSS) through the provision of their facilities. Many of our SSC swimmers started their learn to swim journey with Paul Sadler and have continued to combine Paul Sadler learn to swim/squad sessions with our squad sessions.

Our program is tailored to each swimmer's ability—we emphasize developing technical skill all the while having fun.

How to Start

You are invited to trial our program. Book your TRIAL SESSION, have a chat to our site coach and decide whether squad training is for you/your child.

WHAT TO BRING TO YOUR TRIAL: Swimmers, remember to bring your towel, goggles and a full drink bottle.

- **DEV (Development Squad)** 2 sessions per week—\$ 354 per term
- **INT (Intraclub Squad)** 3 sessions per week—\$ 394 per term.

After your trial, your Coach will discuss with you which of the squads is recommended for your swimmer.

As well as the training fee above, all swimmers must also take out a Membership with Swimming Victoria. A large percentage of the Swimming Victoria fee comes back to our Club in Membership Fees. When you take out the Swimming Victoria Membership, you will also receive a Club Swimming Cap.

In the meantime, if you have any administrative or registration questions, please contact us at secretary@swimlandswimclub.com. We look forward to meeting you and your swimmer.

Warmest regards,

Swimland Swim Club
